

OPIOID OVERDOSE PREVENTION

HELP SAVE A LIFE!

FREE training and FREE Narcan® Nasal Spray Kits for the first 20 participants on a “first-come, first-served” basis.

Training is open to anyone who is at risk for a heroin or opioid overdose or their family or friends.

Education will be provided on how to administer Narcan® (Naloxone) to reverse a heroin or opioid overdose and rescue breathing.

For more information please call
Diane Villari 732-988-8877 ext.1124

Date: Every Tuesday and Wednesday at 3:00 PM

**JSAS HealthCare, Inc.
685 Neptune Blvd
Suite 101
Neptune, NJ 07753**

The Opioid Overdose Prevention Project is made possible by funding received from the New Jersey Governor's Council on Alcoholism and Drug Abuse, New Jersey Department of Health and Senior Services, Division of Mental Health and Addiction Services and JSAS HealthCare, Inc.
